1 The membership year runs from April 1 to March 31. "Year" refers to the year of the upcoming (or current) conference.

2 The Society for Socialist Studies (SSS) collects data and controls access to that data solely for purposes directly related to the SSS mission, namely administering and maintaining the organization, keeping members current on relevant events and decisions, operating the annual conference and AGM at the Congress for the Humanities and Social Sciences, and engaging members and others in the functioning of the Society for Socialist Studies Journal.

3 Occasionally, the Society receives requests for the names of reviewers or area "experts." If you do not wish to be contacted with such requests, leave this area blank.
